Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Clarksville in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Clarksville on Tuesday, the 12th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing, by ballot or major vote.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.
5. To see if the Town will vote to accept State Aid for construction of Secondary Highways, said aid to be expended on West-Road, so-called, from end of T. R. A. road near Perley Richards toward Hollow Road, and raise and appropriate, or set aside for said purpose, the sum of \$763.50, or will accept State Aid for construction of T. R. A. roads, so called, and raise and appropriate or set aside the sum of \$182.89.

6. To see if the Town will vote to discontinue the River Road from the Water Resources Board Dam easterly to Labrador Brook: This discontinuance to take effect upon the acceptance by the Selectmen of the new Highway built by the Water Resources Board running easterly from the dam to Labrador Brook on higher ground.
7. To see if the Town will vote to wire Town Hall for Electric Lights and if so raise and appropriate money for same.
8. To see if the Town will vote to buy additional land for the purpose of enlarging Young Cemetery and if so raise and appropriate money for same.
9. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred and forty.

GUY W. POND,
C. L. FELTON,
H. N. YOUNG,

Selectmen of Clarksville.

A true copy of Warrant—Attest:

GUY W. POND,
C. L. FELTON,
H. N. YOUNG,

Selectmen of Clarksville.

ALBERT P. KNIGHTLY

WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Clarksville qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 12th day of March, 1940, at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer of the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district as determined by the School Board in its annual report.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Clarksville this 19th day of February, 1940.

MURIEL YOUNG, Chr.

KENNETH R. PERRY

GERTRUDE FEARON,

School Board

Superintendent's Report

To the Superintending School Committee and the
Citizens of the Clarksville School District:

General

Public Education in America today faces a task and a responsibility of proportions probably never surpassed. The schools have found the demands made upon them greatly increased both in volume and scope. As never before, public education is being looked to as the means of qualifying whole generations for the difficult business of living in a highly complex culture.

Heavy though the demands and problems may be the schools have, and will continue to face them squarely just so long as they are able to secure the co-operation, support and good will of the people in the communities which they serve.

It is important to our society that the schools continue to provide an education and a fund of knowledge which will not only be worth while in itself but will also tend to make more intelligent, more constructive and more responsible men and women. It is paramount that the schools in cooperation with many other factors produce individuals capable of becoming effective citizens and efficient workers.

Enrollment and Attendance

The enrollment this year is the largest we have had since opening the new building. It is exactly 48 or ten larger than at this time last year. There are 22 in the primary room and 26 in the grammar room.

The percentage of attendance in both rooms was somewhat improved over past years; the average per-

cent for the building being 95. The number of tardinesses showed some improvement also, there being but 64 for the school year.

Reference to the registers indicates that Pearl Beauchemin was not absent or tardy during the entire school year.

Notes on the Budget

The total amount of the School Board's 1940-1941 budget is \$4,649.00 as compared with \$5,513.00 for last year. Last year's total budget was increased by special appropriation to \$5,667.00. The budget is approximately \$1,000.00 less than the previous year. This saving is due to the payment of the district's outstanding obligations so that no notes fall due this coming fall and an expected saving of about \$100.00 on repairs and another \$100.00 on high school tuition. The figure for teachers' salaries appears larger as it also includes money paid for the music teacher.

The total budget of \$4,649.00 is decreased by an estimated income of \$738.17 which means that the school board is asking for an appropriation of \$3910.83.

Music

The music program in the Clarksville School includes two new activities this year. The elementary group have an orchestra of a dozen small flutes which they enjoy very much. Aside from the enjoyment, these instruments should provide a background for development later into flute, clarinet and saxophone playing.

A piano class of eight pupils has been formed which meets once a week after school. There is much enthusiasm in this group. The only requirement is that pupil have piano at home on which to practice.

The orchestra which includes eight guitars, three violins, one mandolin, one trumpet and a drum, practices once a week.

Other class groups include singing, rhythm play, dancing, toy orchestra, note and syllable reading and writing, and music appreciation.

Health

The results of recent physical examinations of school children are quite good, however, there are some corrections that should be made without delay. Vision, tonsils and teeth are the chief offenders and should be corrected, otherwise they may create very serious problems.

The child that has any of the above mentioned physical defects is greatly handicapped at home as well as at school and is unable to do his best work. Ultimately the results appear in his school record.

Dental clinics will be arranged within a short time and parents will have an opportunity to give their children the dental care that is needed at a very reasonable rate.

The statistical report given below summarizes the work of Ethel Sturgis, the School Nurse, for the past year.

Individual Inspections—308	
Treatments at School—28	
Home Calls—12	
Physical Defects—37	Corrections 7
Teeth—13	0
Tonsils—4	0
Vision—17	7
Hearing—3	0

Teachers

When school opened in September two new teachers reported for duty in town. Ruth Robie filled the position as teacher in the grammar room and Ruth Weeks was selected for the primary room. Both were graduated from Plymouth Normal School and have had considerable previous teaching experience.

Financial Note

The payment of \$800.00 and interest in October last settled in full the outstanding obligations of the district. The Clarksville School District is now debt free.

Buildings and Equipment

The school building is in good condition. Both class rooms were repainted, the desks varnished and floors oiled.

Your special appropriation last year made it possible to purchase a piano for the building. Electric lights were installed during the Christmas vacation. The other usual minor repairs and improvements were also made.

I wish that it might be possible to add some new equipment to the playground and also that we might consider the possibility of purchasing new seats for the building.

Conclusion

Our schools symbolize the aspiration of our peoples and are the foundation of that equality of opportunity for which democracy stands.

I take this opportunity to express my appreciation to the members of the school board, parents, teachers and friends for the interest they have shown in the schools and for their loyal support during the past year.

Respectfully submitted,

ALBERT P. KNIGHTLY,

Superintendent of Schools.
